

01 / THE TRANSITION CRISIS

A deficit in school leaves graduates vulnerable.

Young adults enter the workforce unequipped for financial independence. Without school guidance, they face immense psychological strain and vulnerability to costly mistakes.

61%

Do not recall receiving any finance lessons at school.

70%

Avoid looking at bills due to money anxiety.

33%

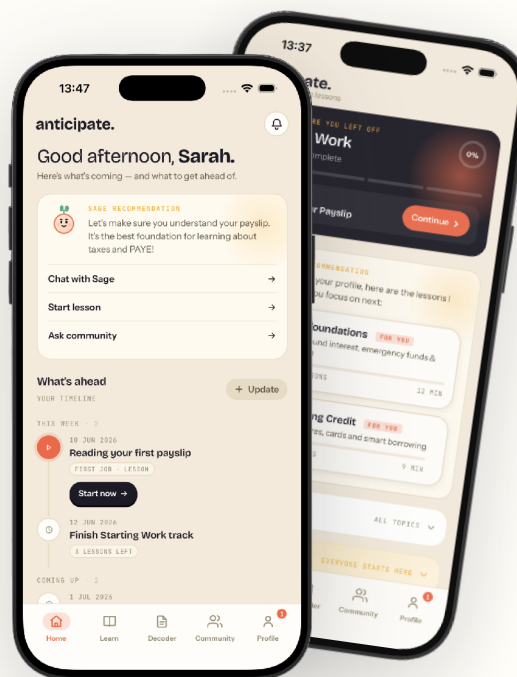

Have taken time off work due to money worries.

28%

Of staff under 35 query HR about payslips monthly.

"I opened my first NHS payslip and felt absolute dread. The deductions were completely confusing. I just closed it and ignored it."

~ Jamie, 22, Early-career Nurse

"Sage tells you what is coming and what to do about it, days before the paycheck actually lands."
